

**CATTA
VERDERA**
COUNTRY CLUB

**Why wait for Congress to pass an economic
stimulus package?**

***Catta Verdera Country Club has formulated our
own package which could be of special interest to
you, your friends and business associates!***

I have very exciting news to report to you regarding our new Membership Drive.

For a limited time only, the Club has elected to dramatically reduce the initial Membership Deposit requirement for any new Golf Member joining the Club. One can now join the Club as Golf Members for an initial payment of only \$5,000! Catta Verdera will defer payment of the remaining \$15,000 Member Deposit requirement until January 1, 2013. That's four years, interest free! If at anytime prior to January 1, 2013, a new Member is not fully satisfied with their decision to join, they will have the ability to terminate their Membership with no further obligation to the Club.

Please feel free to contact me directly if you have any questions regarding this exciting new program. I look forward to meeting with you in the near future and ultimately, welcoming you as new Members of the Club.

Sincerely,

Jeff Wilson
