

Catta Talk

CATTA VERDERA COUNTRY CLUB

OCTOBER 2021

Kevin Earl
General Manager

FROM THE GENERAL MANAGER

Greeting Catta Members, here we are in the middle of October, and still no rain in the forecast. Good for golf, not so good for our multi-year drought. I drive by Folsom

Lake each morning and look for new island formations. Wow, it is low! Other than the lack of rain, the world seems to be getting back to normal. In my simple little world, I judge this by how many different sporting events are back on TV with live crowds and lots of people who are close to each other. It's good to be back to normal. We will of course continue to monitor Placer County about closures and restrictions. At the time of this article, we are not hearing any rumblings. What we will continue to hear, I believe is to "GET VAXED." No matter what your stance is, I think we all want to hit the fast-forward button, so we can get back to our normal business-personal lives. As quickly...and safely as possible.

Course update: Jogi and his crew have done a great job with overseeding and punching the greens in a way that reminds me of the course...pre-110+ summer heat. Side note: our last big project is to tackle the fairway bunkers, and then repair/ reshape the large bunker on #17.

Employee Holiday Fund: With so many new members I just wanted to "prime the pump" and alert you to our annual "Thank the front-line staff" Holiday Gift Program. Believe it or not, it is right around the corner. In the past, the membership has been very kind in their participation and generosity towards our holiday gift program. These dollars, typically charged to a member's account, go straight to our: Food & Beverage, Golf Operations, and the Maintenance staff. A warm thank you in advance if you can contribute again.

That's all for now, see you in the fairway, have a wonderful trick or treat season, and stay healthy everyone!

The staffing issues, especially in the kitchen, continue and the supply chain is a mess. We are doing our best to make your experience as close to what it was before COVID. We appreciate the kind comments that many of you have shared and like you we will be very happy when this is all behind us. Thank you.

Catta Verdera Women Golfers

Message from Michelle Helzer, Captain

Welcome new members Debbie Clark, Marta Spain and Shelly Schnetz!

Thank you to all who participated in our annual invitational last month. The Aloha Bella was a huge success thanks to Stacey and her team. We appreciate all of you! A shout out to Paul and his staff for helping to make the event so special.

We have lost a real gem in Claudia as she has decided to move on from Catta Verdera. Claudia was instrumental in getting the CVWG website up and running, as well as, the continued maintenance of keeping it updated. She has offered to train someone who would be interested in taking over her role. If this is your forte or have interest, please contact me directly. We are looking to fill this position quickly.

Linda B. has developed a team of combo tee players to review and make tee box changes. They plan to keep the yardage and difficulty same/similar but implement changes that have been discussed on the course. The changes will be completed after the EC tournament and will be submitted for the next card printing.

Finally, it's almost that time of year...the holidays! Mark your calendars for Thursday, December 2 as the date for our holiday party. We have gotten approval to resume the party in the Bridesmaids Suite and will be working on ways to have tables inside and outside (weather permitting). There will be more information to follow.

We have some fun events this month with Solheim Cup, Nine & Wine and Boo Shoot.

See you on the course!

~Michelle
