CATTA VERDERA COUNTRY CLUB

NOVEMBER 2022

FROM THE GENERAL MANAGER

Clint Bassett, PGA
General Manager

**Happy November
Catta Members,**

We are rapidly approaching the end of the year and there is still a lot happening here at the Club. Renovations are well

underway both in the clubhouse and on the golf course and our commitment to keep Catta "The club where everyone wants to be" has never been more prominent. I am excited to say that in my first six months as your General Manager, our ownership has already invested more than \$150,000 in capital improvements, service enhancements, and most importantly, team members. But we will not rest yet. Jeff Wilson and I continue to meet weekly to discuss plans of action on how we can better our club each day.

In the coming weeks, I will outline in detail many more items that we will be focusing on as we continue to enhance everyone's experience.

I look forward to moving into this holiday season with all of you as we celebrate family, friends, and the bright future of Catta Verdera Country Club.

Happy Thanksgiving to everyone.

~Clint Bassett, PGA

F&B Update ~ Kyle Hundley

The October “Spooky Season” has passed, and Thanksgiving and Christmas are fast upon us. Thanks to all of you, October

was a great and busy month here at the club; we released our new breakfast and dinner menus, and both have been extremely well received. Now our culinary team is hard at work to bring even more delicious options to our members. This month we prepare to release our new Lunch/All Day menu. This means new appetizers, salads, and sandwiches. An E-blast will be sent out to everyone as we get closer to launch to remind and invite all of you to come give it a taste.

As for Thanksgiving, we sent out the menu for our annual Turkey Day Take Out and it sold out in just one day. We will be keeping a wait list in case of cancellations, so if you want us to do the cooking this holiday, shoot an email over to events@cattaverdera.com and we'll put you on the list.

Socializing at Catta

With winter fast approaching, golf may not be the first thing that comes to mind when thinking about getting out of the house. For those that need a break, the club has a number of social events planned to keep our minds off the cold and rain.

Country Club Canvas is back for all the Catta Artists and will take place on Saturday, November 19th.

On November 30th, we help you get over the turkey hangover and spice it up a bit with our first ever Tequilas & Tacos Night. Does it get any better than tasting select tequilas and eating tacos? I think not!

Details and signups will be coming soon so keep an eye on your email for all our exciting events.

Let's have another great month here at Catta.

FROM YOUR GOLF DEPARTMENT

On November 8th & 9th we will hold our 2022 Senior Club Championship and with that, we mark the end of our 2022 major golf tournament season. The end of the tournament season also marks change for our Golf Operation as we say goodbye to some familiar members of the professional team. For a number of years now, both Paul Shorts and Sean Glynn have served our membership with passion and commitment to the highest standard. They now embark on the next phase of their golf careers and we wish them nothing but happiness and success, as we all know their shoes will be hard to fill.

Now, as we move into 2023, we are more focused than ever on elevating our golf experience to a level that makes every member proud. Our new Head Golf Professional will be in place before the end of the month and this individual will begin working immediately with the current staff on implementing new standards and practices that will benefit both member and club.

Cal, Blake, April, and Tracy are all excited for what is to come, and we look forward to assisting you.

How To Repair a Ball Mark

A few extra seconds is all it takes to keep the putting greens looking and playing their best.

USGA

CHOOSE WISELY

A ball mark repair tool is recommended, but other pointed devices can be used.

PUSH DON'T PRY

Starting from the back and sides, gently push & stretch the turf to the center of the mark.

WORK AROUND

Work around the ball mark until it's filled in. Avoid lifting & twisting the turf harshly.

FINAL TOUCH

Use your putter to lightly tap down the mark. Fix other marks in addition to yours.

Acers Alert!

Congratulations to **Gary Player** for making a hole-in-one on October 17th! Career Grand Slam winner, 9 PGA Tour Majors, 9 Senior Tour Majors, and now his 3rd hole-in-one here at Catta Verdera! Gary scored his ace on hole #4 from 143 yards using his 8-iron.

Congratulations to **Shelly Schnetz** for her hole-in-one on October 30th! Shelly made this amazing shot on hole #13 from 113 yards using her 5 hybrid. Congrat on the ace!
