CVWG Shout Outs!

Congratulations Laura!!!!

Please join me in congratulating Laura Faber. She received two impressive awards for her outstanding coaching of the Whitney High School Girls Golf Team.

1. The Claw Award

During the May 2017 Claw Award event held at Whitney High School, Laura was inducted into the Whitney High School's Coaches Hall of Fame for 2017 for her outstanding coaching of the Whitney High School Girls Golf Team, being the first woman inductee. This is a direct copy of the ESPY Awards that professional sports hold every year. What a great honor for Laura as we know her devotion to the girls team and to golf in general.

2. California Coaches' Association

On June 17, 2017 in Sacramento at the California Coach of the Year/Hall of Fame banquet, Laura will be awarded the Northern California Girls Golf Coach award. This award recognizes an outstanding coach who displays and models the ideals of coaching. The California Coaches' Association represents all of California and was started in the 1950s and recognizes Coaches in both Southern and Northern California in each sport. To receive this award as the Northern California coach, Laura displayed coaching abilities that raised the quality and competence of the high school athletic by coaching through leadership development, educational programs, training sessions and informative correspondence.

What a great honor for Laura as we know her devotion to the girls team and to golf in general. She has coached the Whitney girl's golf team since 2005.

The 2017 Solheim Cup dates have been picked and now we need our players!

Play dates are:
Sunday, July 16
Sunday, July 23
Sunday, July 30
Sunday, Aug 06

As in past years, we are pairing our Solheim Cup dates to be played on the same days the Men's Club plays their Ryder Cup.

If you aren't familiar with the Solheim Cup, this is a fun way to play various match play games in a team format. We will have some matches where it will be a 2 person team and others where it will be one-on-one. You will be paired and play against someone in your similar handicap range. Don't worry, we won't let a 36 handicap play against a 10 handicap!!

You do not need to play in all the play dates to join the Solheim Cup. Even if you can play on only one of the days, please sign up.

Once we finalize the entire player list, we will then break up into two teams captained by myself and Laurie Emerson. Further information regarding format will follow once the teams are picked.

Use the blue button below to sign up for the Solheim Cup. If you know of a specific date(s) that you won't be available, please indicate in the RSVP email the button will generate.

Questions? Contact Susan Bishop or call her at 916.625.4273. See you on the course!

CVCC Men's Club

2017 Ryder Cup Tournament

The summer has crept up on us and it's time to sign up and get ready for our annual Ryder Cup tournament!!

For the third year, the Men's Club is putting on a Ryder Cup tournament that promises to again be one of the best events of the year. We will have eight teams of eight players (total of 64 men) compete against one another in two flights to ultimately determine a champion. There are a lot of details still being worked out, but for now, see the attached flyer and take note of the following:

Dates of Competition (all on Sunday): July 16th, July 23rd, July 30th, August 6th (championship/runner-up matches). It's important to note, these are not flexible. It's also important to note that you don't have to be available ALL dates to play in the tournament.

Sign Up: Let the Pro Shop know if you want to play. Sign Up NOW! The first 64 guys are in.

Format: Ryder Cup. Each 18-hole match consists of 6 holes of better ball, 6 holes of alternate shot, and 6 holes of match play. 8 points available for each match. Teams with the most points advance.

Teams: 8 teams of 8 players. For any given match, the team only fields 6 players to allow for vacations, etc. Teams are composed of A,B,C, and D players ranging from low to high handicap. Teams will be put together on a DRAFT night where the 8 Captains will select their teams. The draft is open to all to attend and appetizers will be provided. Draft night is Wednesday, June 21st @ 6:00 pm.

Tees: All matches will utilize the orange, combo, and purple tees.

Quixote Cup points for all participants.

Cost: \$40

This is a lot of fun so sign up as soon as possible. Again, you don't have to be available for all dates to participate so don't let that influence your decision. Also, we ALWAYS need Alternates, so even if you are not one of the initial 64 to sign up, get your name on the Alternate list and I can assure you, you will play.

Cheers,

Bill Brown

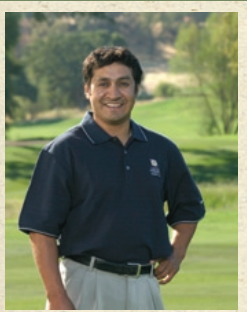

2017 CVCC Men's Club President

Acer's Alert!

Congratulations to **Darren Horning** for his hole-in-one on May 6th. He made this ace on hole #17 from 183 yards. Congratulations on the great shot!

Superintendent's Update

I just want to thank all of you who participated in the Cabrillo, whether it was directly or indirectly. This year was the best run event. Our staff gets excited preparing the course for the tournament. We do split shifts and long hours, but after a couple days it all settles in and we can't wait to see the players roll their putts.

The heat of the Summer is definitely here. The staff has rolled out the hoses to water the hot spots. It's an effective way to maintain a consistent level of moisture especially on the fairways where most have subtle slopes. Please also help us alleviate compaction on these areas by following the directional signs near the approaches and maintain the golf cart away from the canopy of the trees. Those big oaks are not as hardy as they look. The roots require lots of oxygen and we deplete it by excessively driving on them.

We want to thank you for your support on our operation. We will be focused on keeping the turf with minimum damage from the heat during the next few months.

~Your Golf Course Superintendent and Turf Care Team
